Rothbury Risk announces AMP Regional Scholarship Winner

Rothbury Risk & Investment Services Ltd announced the 2009 winner for the AMP Regional Scholarship Programme in September.

Anaia Treefoot (*pictured centre*) has been selected among the 200 strong applications as the overall winner and has been granted the \$5,000 scholarship.

Anaia stood out from the finalists with her passionate dedication to supporting children with special needs (including those with autism, eating disorders & cancer patients).

The scholarship will go towards Anaia's dream of traveling to New York to study with a Dance/Movement Therapy Specialist.

When she returns to Auckland with the necessary training she plans to set-up a Dance Therapy Centre for Children with Autism and other special needs which will enable her to be able to contribute to the well being of many children & families around NZ.

Rothbury wish Anaia the best of luck with her future endeavors and look forward to hearing all about her progress.
